

ONCUE[®] PLUS

Generator Management System

KOHLER[®]
IN POWER. SINCE 1920.

OnCue® PLUS GENERATOR MANAGEMENT SYSTEM

Peace of mind. In the palm of your hand.

Whether you're at home, traveling or on the go, you'll never have to worry about the power in your home or business. Paired with a KOHLER® standby generator, the OnCue Plus app gives you peace of mind in the palm of your hand.

View Real-Time Power Status

Manage your entire system—generator, automatic transfer switch (ATS), Power Relay Module (PRM)* and programmable interface module (PIM)*—from your mobile device or computer, either Mac® or PC.

Activate Items Automatically†

Automatically turn items such as appliances, outdoor lighting and storm shutters on and off from anywhere in the world.‡

Know the Minute Something Changes

Receive instant generator updates via text or email.

Stay Up to Date on Generator Activity

Observe, clear/reset and review time-stamped fault-code history.

Schedule Service Instantly

Find your KOHLER dealer contact information to call or email when service is needed.

*If system is equipped with these optional accessories.

†Optional PIM required.

‡Remote monitoring available anywhere there is broadband internet service and/or cellular phone service.
